People in Scotland have been dancing to "Looby Loo" for a long time. Some people think that the word "loo" is a way of saying "love" in Scotland. Some people think this song is about taking a bath on Saturday night to get clean for Sunday ---going to the "loo," shaking the water off. What do you think?

There was an old woman who lived in a shoe.
She had so many children, she didn't know what to do.
She gave them some soup without any bread,
Then kissed them all soundly and put them to bed.

anon arr: LJC

- 1** Hush little baby, don't say a word,
Mama's gonna buy you a mockingbird.
- 2** If that mockingbird don't sing,
Mama's gonna buy you a diamond ring.
- 3** If that diamond ring turns brass,
Mama's gonna buy you a looking glass.
- 4** If that looking glass gets broke,
Mama's gonna buy you a billy goat.
- 5** If that billy goat won't pull,
Mama's gonna buy you a cart and bull.
- 6** If that cart and bull turn over,
Mama's gonna buy you a dog named Rover.
- 7** If that dog named Rover won't bark,
Mama's gonna buy you a horse and cart.
- 8** If that horse and cart fall down,
You'll still be the sweetest little baby in town.
- 9** So hush little baby don't you cry,
Mama's gonna be here by and by.

Hush Little Baby Revisited

- 1** Hush little baby, don't you cry,
Mama's gonna sing you a lullaby.
- 2** If that lullaby's too slow,
Mama's gonna tickle your little toe.
- 3** If your little toe won't laugh,
Mama's gonna give you a soothing bath.
- 4** If the water in the bath turns cold,
Mama's gonna find you a teddy to hold.
- 5** Hug your teddy and rest your head,
Snuggle down in your cozy bed.
- 6** Close your eyes sweet dreams appear,
'cause you're safe at home with me right here.

England

1900s

Polly had a dolly who was sick, sick, sick,
So she called for the doctor to come quick, quick, quick!
The doctor came with a bag and a hat,
And knocked on the door with a rat-tat-tat.

Doctor looked at the dolly and shook her head,
And said, "Now Polly put her straight to bed!"
Then wrote on a paper for a pill, pill, pill.
"I'll be back in the morning with my bill, bill, bill."

Paul, he had a dolly who was sick, sick, sick,
So he called for the doctor to come quick, quick, quick!
The doctor came with a bag and a hat,
And knocked on the door with a rat-tat-tat.

Doctor looked at the dolly and shook his head,
And said, "Now Paul just put him straight to bed!"
Then wrote on a paper for a pill, pill, pill.
"I'll be back in the morning with my bill, bill, bill."

One for a scarf and one for a hat, One for some mit-tens and that is that."
One for the master and one for the dame, One for the lit-tle boy who lived down the lane.
"Baa baa black sheep, have you a - ny wool?" "Yes, yes, 3 bags full."

Why did farmers value black sheep over white sheep?
