tie 'em in a knot, can you tie 'em in a bow, can you

throw 'em o'r your shoulder like a con-tin-ent-al sold-ier, do your ears hang low?
wave 'em to a neighbour with a min-i - mum of la-bour, do your ears fly high?

1 Do your ears hang low,
Can they wobble to and fro,
Can you tie 'em in a knot,
Can you tie 'em in a bow,
Can you throw 'em o'r your shoulder
like a continental soldier,
Do your ears hang low?

2 Do your ears fly high,
Can they stand up to the sky,
Can they stand up if they're wet,
Can they stand up if they're dry,
Can you wave 'em to a neighbour
with a minimum of labour,
Do your ears fly high?

3 Do your ears stretch wide,
Can they reach fro side to side,
Can they fit into a room,
Or with the walls do they collide,
Can you flap 'em for a breeze
tuck 'e underneath your knees,
Do your ears stretch wide?

music: Arne 1777
words: LJ Clare

1

**A hunting we will go
a hunting we will go
With a bar of soap,
and a microscope
a hunting we will go
We'll spot a germ, and make it squirm,
We'll make an inspection
to find an infection,
We'll catch a cold, and put it on hold
A hunting we will go.**

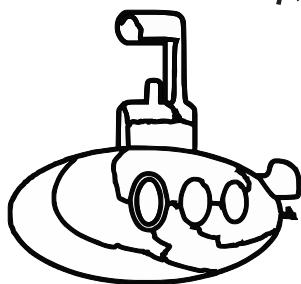

2

**A hunting we will go
a hunting we will go
With a ray of hope,
and a telescope
a hunting we will go
We'll find the sun, then after we're done
We'll see many stars
and maybe Mars
We'll discover moons and sing them tunes
A hunting we will go.**

3

**A hunting we will go
a hunting we will go
With a rod 'n rope
and a periscope
a hunting we will go
We'll seek a shark, in cold and dark,
We'll watch an eel
as it eats a meal,
We'll trail a snail or maybe a whale
A hunting we will go.**
